

2022 Ham Radio Specialty Emergency Communication Classes

Mt. Diablo Amateur Radio Club is proud to offer the following two helpful and informative classes.

“Em Comm Mutual Aid in a Digital World”

Presented by Dan Goldstein, KJ6KEU

Tuesday June 28, 2022 7:00 to 9:00 pm

Dan is an Alameda County Sheriff's Communications Team member since 2010 and serves as the Administrative Officer since 2017. As Cal OES designates ACSO as the mutual aid coordinator for Region II, our team's mission is to establish amateur radio training and emergency communications priorities throughout Region II.

Introduction to Winlink

Presented by John Trinterud, K9ONR

Tuesday July 5, 2022 7:00 to 9:00 pm

John is Project Lead, Walnut Creek CERT Winlink Test System. He has 55+ years in communications, telephony, computer operations, technical instruction and UNIX software support with a mid-life segue into organic farming and doing organic farm and food processing inspections. He finally retired in 2020 after graduating several times. John was first licensed in 2012 as KJ6PAP, now a General Class, and graduated from Walnut Creek CERT after 10 years of volunteer service. He has served as a CERT Communications Chief and created the CERO program for Walnut Creek CERT and the EOC.

- ✓ **Class fee of \$5 for each session and you must pre-register.**
- ✓ **All classes conducted in-person at Odd Fellows Pacheco Lodge, 4349 Cowell Road, Concord, CA or simultaneously via Zoom.**
