

Community Emergency Response Team

Preparedness

Released: 23 Dec 2020 Contra Costa CERT Coalition

0

Community Emergency Response Team

- 👤 Personal safety is ALWAYS the number one priority
- 👤 Show up prepared
 - > Wear appropriate clothing and footwear, have WATER
 - > Wear PPE – your personal protective equipment ...gloves, helmet, goggles, mask, boots, etc.
 - > Have at least one communications device: cell, radio, etc.
- 👤 Work as a team
- 👤 Size-up - maintain situational awareness
- 👤 The CERT goal is to do the **Greatest Good for the Greatest Number**
- 👤 *Hope for the best but plan for the worst!*

Visual PREP1 Contra Costa CERT Coalition

1

Unit Objectives

- 👤 Describe the functions of CERT, discuss your role as a CERT volunteer, and explain how CERT fits into your community's emergency preparedness structure
- 👤 Describe the types of hazards most likely to affect your communities and their potential impact on people, health, and infrastructure
- 👤 Prepare yourself and your family for potential disasters your community may face, including learning to create a family disaster plan and emergency preparedness kit

Visual PREP2 Contra Costa CERT Coalition

2

CERT Functions During Disasters

- 👤 First, check on family and home
- 👤 Then, check on neighbors
- 👤 Next, assemble in neighborhood teams and plan your response
- 👤 Use the buddy system
- 👤 Check your neighborhood
- 👤 Note your findings. You will learn more about this in Light Search and Rescue

Visual PREP3 Contra Costa CERT Coalition

3

CERT Disaster Response

CERTs respond post-disaster by:

- 👤 Treating life-threatening injuries until professional assistance is available
- 👤 Helping disaster survivors cope with their emotional stressors
- 👤 Locating and turning off utilities, only if necessary and safe to do so
- 👤 Extinguishing small fires
- 👤 Conducting light search and rescue operations
- 👤 Assist first responders *as requested* (fire, police, EMS)

Visual PREP4 Contra Costa CERT Coalition

4

Non-Disaster Roles

CERTs may be asked to volunteer to:

- 👤 Identify and aid neighbors/co-workers who might need assistance
- 👤 Distribute preparedness materials; do demos
- 👤 Staff first aid booths at special events
- 👤 Assist with installation of smoke alarms
- 👤 Participate in public event route management
- 👤 Help at medical or commodity Points of Distribution

Visual PREP5 Contra Costa CERT Coalition

5

Situational Awareness

- 👤 In this CERT series of classes, we will discuss Size-Up many times. We Size-up a situation whenever we enter an emergency scene. But, in everyday life, we should be doing a personal version of Size-up that has to do with **Situational Awareness**
- 👤 This should become a way of life and it becomes something you don't even have to think about after a while, it's just habit

Visual PREP7 Contra Costa CERT Coalition

7

Situational Awareness

- 👤 To be **Situationally Aware** is to know what is around you at all times. This is how you *minimize your risk*
- 👤 From walking down the street and watching where you are going so you don't trip over the broken sidewalk; to being aware of the cars around you while you're driving rather than focusing solely on the song on the radio and the interrupting phone call when the kids are squabbling in the back seat is being **Situationally Aware**

Visual PREP8 Contra Costa CERT Coalition

8

Situational Awareness

- 👤 When you enter a public building, glance around to see an alternate exit, where the fire extinguisher is located, where the AED is located. Are there any people who you want to avoid? If something bad happens, where can I get cover?
- 👤 This is not being paranoid; this quick glance is being prepared for any eventuality. This **Situational Awareness** makes you more likely to be a responder than a victim

Visual PREP9 Contra Costa CERT Coalition

9

Disasters

WHAT ARE DISASTERS?

Visual PREP10 Contra Costa CERT Coalition

10

Types of Disasters

- Natural
- Technological & Accidental
- Terrorism

Visual PREP11 Contra Costa CERT Coalition

11

Types of Disasters

- Natural** – Earthquakes, wildfires, pandemics, floods, extreme heat, hurricanes, landslides, thunderstorms, tornadoes, volcanic eruptions, tsunamis, winter storms
- Technological & Accidental** – Hazardous material spill, nuclear power plant accident, building collapse, dam failure, gas line failure
- Terrorism** – Chemical, biological, radiological, nuclear, explosive weapons

Visual PREP12 Contra Costa CERT Coalition

12

Key Elements of Disasters

- 👤 They are relatively unexpected
- 👤 Emergency personnel will be overwhelmed
- 👤 Lives, health and the environment are in danger

Visual PREP13 **Contra Costa CERT Coalition**

13

Disaster Effects on Infrastructure

👤 **Damage to transportation:**

- Police, fire, and EMS might not be able to respond quickly
- Interruption to the flow of needed supplies

Visual PREP14 **Contra Costa CERT Coalition**

14

Disaster Effects on Infrastructure

👤 **Damage to structures:**

- Damaged hospitals unable to function normally
- Increased risk of damage from falling debris
- Roadway and railway damage
- Basic necessities unavailable

Visual PREP15 **Contra Costa CERT Coalition**

15

Disaster Effects on Infrastructure

📍 Damage to communications:

- Home and cell phones may not work
- Internet may be down

Visual PREP16 Contra Costa CERT Coalition

16

Disaster Effects on Infrastructure

📍 Damage to water distribution system:

- No water = **No fire fighting**
- Residential water service may be down for 30 days or more

Visual PREP17 Contra Costa CERT Coalition

17

Disaster Effects on Infrastructure

📍 Damage to electrical distribution system:

- No electricity = **No gasoline pumping**
- No electricity = **No communications**
- No electricity = **No refrigeration**
- No electricity = **No water pumping**
- No electricity = **No ATMs**

Visual PREP18 Contra Costa CERT Coalition

18

Disaster Effects on Infrastructure

- 📍 Damage to fuel distribution system:
 - Fuel line rupture increases risk of fire or explosion
 - Fuel shortages

Visual PREP19 Contra Costa CERT Coalition

19

Results of Damage to Infrastructure

- 📍 Police: address incidents of **grave** public safety
- 📍 Firefighters: suppress **major** fires
- 📍 EMS personnel: handle **life-threatening** injuries
- 📍 Lower priority needs are met in other ways

Visual PREP20 Contra Costa CERT Coalition

20

Hazards in California

- 📍 Wildfires
- 📍 Earthquakes
- 📍 Public Safety Power Shutoffs
- 📍 Pandemic
- 📍 Floods
- 📍 Tornadoes
- 📍 Terrorism
- 📍 Etc.

Visual PREP21 Contra Costa CERT Coalition

21

Hazards in Our Region

-  Fire
-  Flood
-  Earthquake
-  Landslide
-  Tsunami
-  Extreme weather
 - > Rain
 - > Heat
 - > Cold
 - > Wind
-  Power outages
-  Hazardous materials
-  Transportation
-  Malls
-  Airport
-  Railways
-  Refineries
-  Military
-  Terrorist
-  Others?

Visual PREP22 Contra Costa CERT Coalition

22

What's in your neighborhood?

-  Chemical plants
-  Service stations
-  Hospitals and clinics
-  Hazardous waste sites
-  Transportation
-  What else?

Visual PREP23 Contra Costa CERT Coalition

23

A primary local vulnerability: Wildfire

 Wildfire vulnerability and mitigation will be covered in the Utilities, Hazardous Materials and Fire Safety unit

Visual PREP24 Contra Costa CERT Coalition

24

A primary local vulnerability: Earthquakes

 A violent slipping or movement of a portion of the Earth's crust resulting in a sudden release of stresses

Visual PREP25

Contra Costa CERT Coalition

25

Why we should be prepared

 There is a 72 percent probability of at least one earthquake of magnitude 6.7 or greater striking somewhere in the San Francisco Bay region before 2043

USGS Earthquake outlook for the San Francisco Bay region 2014-2043

Visual PREP26

Contra Costa CERT Coalition

26

Earthquake Preparedness

Visual PREP27

Contra Costa CERT Coalition

27

Earthquake Faults in our Region

One day, the Hayward Fault could produce the greatest natural disaster ever to hit the United States

Earth Magazine, June 2016

Visual PREP.28

Contra Costa CERT Coalition

28

Earthquake Shaking Potential

Visual PREP.29

Contra Costa CERT Coalition

29

Earthquake Aftershocks

How Many Aftershocks ?

- USGS - Rule of Thumb
 - For every single decrease in magnitude, get 10 fold increase in number
- If original quake is M 7
 - 1 or so aftershock in range of M 6
 - 10 " " " " 5
 - 100 " " " " 4
 - 1000 " " " " 3

Visual PREP.30

Contra Costa CERT Coalition

30

Damage caused by Earthquakes

-  Collapsed buildings
-  Damage to utilities, structures and roads
-  Fires and explosions
-  Structural instability

Visual PREP31 Contra Costa CERT Coalition

31

Damage Related to Structure Type

-  You may not have the opportunity to select the type of structure you are in when a disaster occurs
-  Engineered buildings have performed well in most types of disasters
-  Types of damage vary by structure
-  Differences in hazards and mitigation between single-family homes and multi-unit dwellings

Visual PREP32 Contra Costa CERT Coalition

32

Hazards from Home Fixtures

-  Gas line ruptures from displaced water heaters or ranges
-  Damage from falling books, dishes, and other cabinet contents
-  Electrical shock from displaced appliances
-  Fire from faulty wiring, overloaded plugs, or frayed electrical cords

Visual PREP33 Contra Costa CERT Coalition

33

Preparing for *any* Disaster

- 👤 Know local hazards, alerts, warning systems, evacuation routes, and sheltering plans
- 👤 Consider important elements of disaster preparedness
- 👤 Address specific needs for yourself and people you know
- 👤 Have the skills to evaluate the situation quickly and take effective action to protect yourself

Visual PREP34 Contra Costa CERT Coalition

34

Preparing for *any* Disaster

- 👤 Have a family disaster plan and practice the plan with drills
- 👤 Assemble supplies in multiple locations
- 👤 Reduce the impact of hazards through mitigation practices
- 👤 Get involved by participating in training and volunteer programs

Visual PREP35 Contra Costa CERT Coalition

35

Family Disaster Plan

- 👤 Where will you meet family members?
- 👤 Who is your out-of-state "check-in" contact?
- 👤 Will you have a Shelter-in-Place? Extended-Stay? Evacuation?
- 👤 How will you escape your home? Workplace? School? Place of worship?
- 👤 What route (and several alternatives) will you use to evacuate your neighborhood?
- 👤 Do you have transportation?
- 👤 Did you practice your plan?

Visual PREP36 Contra Costa CERT Coalition

36

Escape Planning

- 👤 Consider needs of children, individuals with access and functional needs, and pets
- 👤 Inform all family members or office co-workers of the plan
- 👤 Run practice escape drills
- 👤 **Remember – The longer you wait to leave, the fewer options you have**

Visual PREP37 Contra Costa CERT Coalition

37

Preparing for an Emergency

CERT Members should prepare and help their community to prepare:

- 👤 Sign up for community warning systems (CWS, Nixle, etc.)
- 👤 Identify potential hazards in their homes, neighborhoods, and workplaces
- 👤 Reduce hazards where possible
- 👤 Develop disaster plans
- 👤 Develop disaster supply kits and go-bags that include pandemic safety protections

Visual PREP38 Contra Costa CERT Coalition

38

CWS – Community Warning System

Fire determines risk

CWS distributes order

Police order evacuation

Visual PREP39 Contra Costa CERT Coalition

39

CWS – Community Warning System

Increase Your Chances of Being Notified in an Emergency

The Contra Costa County Sheriff's Office of Emergency Services maintains our **Community Warning System (CWS)**. CWS is generally not used for non-life-threatening incidents. The CWS can call every AT&T landline in the county in just a few seconds. It can also call VoIP phones (Voice over Internet, such as Comcast, Vonage, Magic Jack, or others that rely on the internet) and cell phones that are registered with the system. If you have a cell or VoIP phone, *you must register with the Community Warning System* for them to be able to alert you. Your information will be kept confidential and will not be used for any other purposes. To register Cell phones, VoIP phones or to subscribe to text messages and emails go to: <http://cwsalerts.com/>.

Your information will be kept confidential and will not be used for any other purposes.

CWS phone number: 925-655-0195 – add to contacts and set Emergency Bypass

Visual PREP40 Contra Costa CERT Coalition

40

Bay Area CWS Notifications

Local Primary Radio Stations

KCBS AM 740	KQED FM 88.5
KSJO FM 92.3	KZST FM 100.1

All FM radio stations, and all TV stations are required to carry every alert. Many AM stations carry them also

Sign up for:
 Cell Phone Alerts @ <http://www.cwsalerts.com>
 Nixle Alerts @ <http://www.nixle.com> or text your ZIP code to 888777

Visual PREP41 Contra Costa CERT Coalition

41

Smart Phone Apps

Genasys Protect
 Official evacuation alerts from Contra Costa County authorities

Watch Duty: Wildfire Maps App
 Wildfire mapping and alert app with instant information on fires from CalFire

MyShake
 Sends an audible warning that shaking is about to occur. The system uses ground-motion sensors to detect earthquakes that have already started and estimates their size, location, and impact.

PulsePoint Respond App
 Allows users to register they are trained in CPR and sends them an alert when a cardiac emergency response is needed.

Visual PREP42 Contra Costa CERT Coalition

42

Mitigation

- 👤 Mitigation is lessening the impact of disasters resulting in a reduction of loss of life and damage to property or the environment and includes any activity that prevents an emergency or reduces effects of hazards
- 👤 CERT members should have adequate homeowner’s insurance coverage
 - Add earthquake insurance if applicable
 - Add flood insurance if applicable

Visual PREP44 Contra Costa CERT Coalition

44

Structural Hazard Mitigation

- 👤 Bolt older houses to their foundations
- 👤 Strap propane tanks and chimneys
- 👤 Raise utilities above flood risk level
- 👤 Strap mobile homes to their slabs
- 👤 Ask a professional to check foundation, roof connectors, chimney, etc.
- 👤 Build or designate a “safe room”

Visual PREP45 Contra Costa CERT Coalition

45

Non-Structural Hazard Mitigation

- 👤 Home fires:
 - Burglar bars and locks on outside window entries that are easy to open from inside
- 👤 Landslides:
 - Flexible fittings that are breakage resistant
- 👤 Wildfires:
 - Reduce exterior fuel sources
 - Avoid wooden shakes and shingles
 - Clear flammable vegetation up to 30 feet from home and remove climbing vines from walls of home

Visual PREP46 Contra Costa CERT Coalition

46

Hazard Specific Mitigation - Earthquake

-  Anchor heavy furniture
-  Secure appliances and office equipment
-  Secure cabinet doors with childproof fasteners
-  Locate and label gas, electricity and water shutoffs
-  Secure water heaters
-  Have flexible gas lines installed

Visual PREP47 Contra Costa CERT Coalition

47

Hazard Specific Mitigation - Earthquake

-  Store heavy and breakable objects on low shelves
-  Secure bookshelves
-  Move beds away from windows
-  Move or secure hanging objects over beds, sofas, and chairs
-  Keep shoes and a flashlight in a bag tied to a bed leg

Visual PREP48 Contra Costa CERT Coalition

48

Earthquake Preparedness

-  Develop a home earthquake plan
-  Conduct earthquake drills
-  Keep vehicle gas tank at least half full
-  Develop a plan for reuniting family members
-  Identify an out-of-state contact
-  Keep supplies on hand

Visual PREP49 Contra Costa CERT Coalition

49

During an Earthquake

- 👤 Duck, cover and hold
- 👤 If indoors, **STAY THERE!**
- 👤 If outdoors, find a spot away from buildings, trees, streetlights, powerlines, and overpasses
- 👤 If in a vehicle, drive to a clear spot and stop

Visual PREP50 Contra Costa CERT Coalition

50

After an Earthquake

- 👤 Extinguish small fires
- 👤 Clean up spills
- 👤 Inspect home for damage
- 👤 Help neighbors
- 👤 Listen to Community Warning System (CWS) notifications or visit their website: <http://cwsalerts.com>
- 👤 Expect aftershocks

Visual PREP51 Contra Costa CERT Coalition

51

Hazard Specific Mitigation - Pandemic

- 👤 **Hazards:**
 - > Results in infrastructure disruption - supply chain, healthcare, medical supplies, schools, employment, etc.
 - > Restricts evacuation and sheltering options if concurrent with a second disaster
- 👤 **Mitigation:**
 - > Prevention is critical – vaccination, masks, hand washing, social distancing, keep hands away from face, and sanitize high-touch surfaces frequently
- 👤 **Preparation:**
 - > 14 day supply of food, water, medications, sanitation, and shelter provisions
 - > Plan for alternate sheltering and medical care

Visual PREP52 Contra Costa CERT Coalition

52

Protective Actions During and After Any Event

- 🧑‍🚒 **Assess situation**
- 🧑‍🚒 **Decide to stay or change locations**
 - This is a critical early decision in disasters
- 🧑‍🚒 **Seek clean air and protect your eyes, ears, nose and mouth**
- 🧑‍🚒 **Protect from debris and signal if trapped**
- 🧑‍🚒 **Remove contaminants**
- 🧑‍🚒 **Practice good hygiene**

Visual PREP53 Contra Costa CERT Coalition

53

Sheltering

- 🧑‍🚒 **Shelter-in-Place**
 - Identify internal room that can be sealed
 - Stay for several hours
 - Store emergency supplies
- 🧑‍🚒 **Shelter for extended stay**
 - Stay for several days or up to several weeks
 - Store extra supplies
- 🧑‍🚒 **Mass care or community shelter**
 - Take 3-day disaster kits (go-bags)
 - Shelters provide most supplies

Visual PREP54 Contra Costa CERT Coalition

54

Emergency Supplies

CAR KITS	HOME KITS
	
PET KITS	OFFICE / WORKPLACE KITS
	

Visual PREP55 Contra Costa CERT Coalition

55

Disaster Supply Kit

- 👤 After a disaster strikes, you will not have time to shop or search for supplies
- 👤 If you gather supplies in advance, you and your family will be better equipped for an evacuation or home confinement
- 👤 Many of the items needed for your kits are already in your household
 - These items can be assembled in appropriate locations for quick access in an emergency but are used and replaced under normal circumstances whenever needed

Visual PREP56 Contra Costa CERT Coalition

56

Food and Water

Choose foods that:

- 👤 You like
- 👤 Require little or no cooking or water for prep
- 👤 Require no refrigeration
- 👤 Do not increase thirst (e.g., low salt)
- 👤 Meet the needs of infants, diabetics or others with special needs

Remember food for your pets, utensils and a manual can opener!

Visual PREP57 Contra Costa CERT Coalition

57

Food and Water

- 👤 Inspect your food cache every 3 months
- 👤 Use a marking pen to write your food's expiration date
- 👤 Store food in airtight or tightly sealed plastic or metal containers
- 👤 Store in a cool, dark, dry place
- 👤 Have a way to cook your food

Visual PREP58 Contra Costa CERT Coalition

58

Food and Water

 A person can survive weeks without food but only a few days without water

Survival Rule of 3's

3 MINUTES without AIR

3 HOURS without SHELTER

3 DAYS without WATER

3 WEEKS without FOOD

I'm having a small water crisis here!

Visual PREP59 Contra Costa CERT Coalition

59

Food and Water

-  The San Francisco Bay Area has more ground movement along tectonic plates than any other urban area in the United States
-  "EBMUD's seismic work will restore partial water service within 30 days following a large earthquake... Some customers may be without water service at their residence for weeks or months."
-  To be prepared, you need at least 1 gallon of potable water and 1 gallon of sanitation water per person per day, that is 14 gallons per person per week

Visual PREP60 Contra Costa CERT Coalition

60

Food and Water

-  To store water, use food grade plastic containers, do not use recycled milk containers
-  Water stored in FDA approved blue drums with bleach has no expiration date
-  Replace other stored water every six months
-  Store water in cool and dark place
-  Use a marking pen to mark expiration date
-  Water trucks will be available in downtown within a few days. You will stand in line for your daily ration
-  Be prepared to disinfect additional water

Visual PREP61 Contra Costa CERT Coalition

61

Food and Water

- 👤 Lamorinda CERT Foundation offers low-cost water drums and accessories. The drums are plastic FDA approved drinking water vessels
 - > 2.5 gallon Stacker Drums
 - > 5 gallon Stacker Drums
 - > 15 gallon Drums
 - > 55 gallon Drums
 - > Wrenches, Pumps, and Other Accessories
- 👤 Local delivery, proceeds benefit Lamorinda CERT
- 👤 Check for Availability Online
<http://supplies.lamorindacert.org>

Visual PREP62 Contra Costa CERT Coalition

62

Human Waste

- 👤 The third part of the human needs trilogy is WASTE COLLECTION and DISPOSAL
- 👤 When an earthquake breaks water lines, it can also break sewer lines.
- 👤 Without water, toilets cannot flush.
- 👤 Several solutions can be utilized for days, weeks, or months. One is a twin-bucket system. Another is using a home septic system, if you have one. A third system is to use liner bags in your toilet.

Visual PREP63 Contra Costa CERT Coalition

63

Human Waste

- 👤 The twin-bucket system separates fecal matter from urine.

- 👤 Urine poses almost no health risk and can be sprinkled onto land. It is about 10 times the volume of fecal matter.
- 👤 Fecal matter contains most of the pathogens and needs to be treated. Each person only produces 4-10 ounces daily.

Visual PREP64 Contra Costa CERT Coalition

64

Human Waste

- The toilet liner system utilizes a disposable bag with a pad that absorbs and gels the urine.
- Both systems require the bagged waste to be stored until local refuse collection is able to deploy trucks for pickup.
- Special needs persons can be those who are undergoing radiation, chemotherapy, or have infectious diseases. These need to have their own system precautions.

Visual PREP65 Contra Costa CERT Coalition

65

Go Bags

- A Go-Bag is an always-ready bag that has everything you would need for a few days
- We will discuss Go-Bags, Office/Workplace Bags, Car Bags, Search Bags, etc. throughout the CERT Basic Training Series
- Go-bag suggested contents (and much more) can be found on our website
<https://pleasanthillcert.org>

Visual PREP66 Contra Costa CERT Coalition

66

Where do we get supplies?

- Hardware stores
- Grocery stores
- Camping stores
- Emergency Preparedness stores
- Online
- CERT policy is that we do not endorse or recommend any vendors or brands

Visual PREP67 Contra Costa CERT Coalition

67

Homework Assignment

- 📞 Discuss preparedness with family and friends and create a communications plan, including the *cell number* of an out-of-state “check-in contact” using **text messages only!**
- 📞 Begin to assemble supplies in multiple locations, home, work, car, etc.
- 📞 Examine your home for hazards and identify ways to prevent potential injury
- 📞 Get every cell phone and VoIP phone in your household signed up for CWS

Visual PREP68 Contra Costa CERT Coalition

68

Questions ?

Visual PREP69 Contra Costa CERT Coalition

69

Additional Resource

- 📞 Guide to preparing your family and home
- 📞 Tailored to the Bay Area
- 📞 No longer in print
- 📞 Available in multiple languages at <https://earthquake.usgs.gov/contactus/menlo/prepare/>

Visual PREP70 Contra Costa CERT Coalition

70

Takeaways

- 👤 CERT Roles
- 👤 The types of disasters we face and preparing for them
- 👤 Identifying home and workplace hazards and reducing those hazards
- 👤 Preparedness actions
 - > Family Emergency Plan
 - > Practicing the Plan
 - > Water and Food
 - > Go-Bags

Visual PREP71 Contra Costa CERT Coalition

71
